The West Sabine Band Handbook is dedicated to you, the band members of West Sabine Independent School District. It has been prepared with the hope that it will become a guide through which you will become better equipped in the basic fundamentals of being an outstanding band student. Read it carefully, know its' contents from cover to cover, and keep it in a safe place for reference throughout your career in the West Sabine Band Program.

PHILOSOPHY

The purpose of music in the curriculum can be properly understood only as a part of aesthetic education, and aesthetic education can be properly understood only as a part of the education of the whole person. The emotional, creative, social, and cultural expressions of man are common denominators of all human beings. If education is devoted to the development of the whole person, it must be concerned with these aesthetic qualities of man. The function of music education in the curriculum should therefore be clear as a requirement for the total development of all students. Man must feel as well as think, and as educators, we must cultivate in the student a sensitivity to the world of sound, form, emotion, and spiritual involvement, just as intellectually we must make him aware of language, symbols, and other tools of thought.

GENERAL OBJECTIVES

It is the responsibility of the music education program in the school to bring every student the deepest possible understanding and realization of his full potential through awareness of self-expression through participation. Increased pressure for scholastic excellence and individual accomplishment increase further the need for music education in the curriculum. More than ever before, music education is important today to the mental and physical stability of people. One of the objectives of music education is the fostering of interest in the personal benefits of self-made music as a form of expression, a contributing factor in the development of a well-rounded character and mental awareness. The prime objective of music in education is to develop musically sensitive, intelligent adults who fully appreciate the significant contribution that music can make to the individual, and ultimately to the community

BANDS

HIGH SCHOOL BAND is a 2-semester course. Members may not sign up for Marching Band only or Symphonic Band only. (Exceptions will be made in special circumstances at the discretion of the band director). The High School band consists of 7th -12th graders.

MARCHING BAND-Majorette routines are taught during the summer months. New High School band students must attend marching orientation before full band practice starts in the summer. Full band practice starts the 1st week of August. All students in the West Sabine High School Band will be given a place in the marching band only if the band member meets music and marching assignment requirements set forth by the band director. This includes playing prescribed music, sight-reading and scales. This determination is "on-going". Band members who fail to pass musical and marching requirements are selected as alternates. The band director reserves the right to make anyone an alternate at any time during the school year due to attitude problems, habitual tardiness, absences, or failure to meet daily musical and marching requirements. All eligible alternates will be expected to attend all practices and performances and will perform as instructed by the band director. Students must be enrolled in band during the fall semester in order to participate in any marching band activities. Exceptions can be made in the fall semester, in cases such as class scheduling conflicts, only with the director's approval and only if the student attends all after school rehearsals. The Marching band participates in the following activities (August-November): a. Summer band b. Weekly after school rehearsals c. Occasional Sectionals called by the band director or the section leader approved by director. (All practices, full band or sectionals, are required. Anyone missing a rehearsal must turn in a written excuse signed by a parent in order for it to be excused.) d. All football games (includes playing in the stands) e. U.I.L. marching contest f. Local Parades g. U.I.L. Twirling contest h. Any marching performance required by the director.

SYMPHONIC BAND-The symphonic band refers to those 7th-12th grade band members participating in band after marching season is over. Students may not participate in Symphonic Band only. They must have participated in Marching Band as well. The Symphonic band participates in the following activities (December-May):

- a. Winter Concert

- c. Area and All-State if qualifies
- d. Solo and Ensemble Contest
- e. State Solo and Ensemble Contest if qualifies

- g. Competitive Band Festivals
- h. UIL Concert and Sight reading

SIXTH GRADE BAND-Students are introduced to the fundamentals of playing band instruments. (a) woodwind (b) brass (c) percussion; with emphasis on fingerings, hand position, posture, basic musical terms, time signature, pitch placement, key signature, and rhythm counting, Activities include the following:

GENERAL BAND REGULATIONS

ATTENDANCE OF REHEARSALS AND PERFORMANCES-All band members are expected to attend all rehearsals and performances unless excused by the band director. If a band member is going to be absent from an after school rehearsal or performance, the member should notify the band director in advance (unless impossible) or else absence will be unexcused. Students that don't attend summer band rehearsals will forfeit their places in the marching line-up and will serve as alternates. Under emergency circumstances, students with sufficient marching abilities will be allowed to participate if a spot is open in the ranks. Punctuality is of vital importance in the band. The nature of the band's operation at football games, concerts, and travel away from home makes strict adherence to a schedule very important. Students who are habitually tardy or absent will forfeit any position of responsibility or honor with the band, and may be transferred out of the West Sabine band program.

CONDUCT-Because of the many contacts a West Sabine band student makes in public, he or she must act as a good will ambassador for the West Sabine Independent School District. It is expected that each student act like ladies or gentlemen at all times. Loud and boisterous conversations do not convey to the public that which typifies the West Sabine Schools, and thus are discouraged.

No band member shall knowingly possess, use, transmit, or be under the influence of any narcotic drug, hallucinogenic, amphetamine, barbiturate, marijuana, alcoholic beverage, or other intoxicant (as those terms are defined by law): 1. On school grounds during any school term; or 2. Off school grounds at a school activity, function, or event; or 3. Off school grounds during any school term and during school hours where the offense committed warrants the reasonable belief that threat to the order and discipline of the school would be the likely result of the student's continued presence in school. A band member who violates this policy or tests positive for drug use will be automatically suspended from performances with the band for the remainder of that school year. The student may perform with the band the next school year if and only if he/she has been tested and found negative for drug use and has completed all requirements set forth by the school district.

The use of tobacco in any form is prohibited by band students connected with any band activity, this shall apply when the band is in rehearsal, in performance, on the bus or in the hotel room on overnight trips, in or out of uniform.

Band students are encouraged to cultivate an attitude of good discipline and attention during rehearsal. Each rehearsal should be a musical learning experience. Constant disturbance by any band student in rehearsal shows lack of interest and respect for the band. Students unable or unwilling to exhibit appropriate behavior should find activities other than band to hold their attention.

BAND HALL AND BAND REHEARSAL RULES

1. Students may not have gum, candy, food, or drink (except water) in the band hall unless given specific permission under special circumstances.

11. Students will cease all noise when anyone steps on the podium. Students should not talk when anyone is on the podium for any reason, except to ask the director about the music or about some instructions that have been given. In this case, the student should raise his or her hand and wait until the director gives permission to ask the question.
12. Students may not get on the podium without permission.

FOOTBALL GAME AND CONTEST TRIPS

On band trips, all band members ride to and from the destination on designated buses. Students may not change buses on the return trip. There are two exceptions to this rule.

1. A band member may be released to a parent or guardian after the band has finished its' performance. However, the parent must:
 - a. Come to the director or chaperone at the bus personally to pick up the student.
 - b. Sign the student out.
 - c. If a student is to ride home with any adult other than a legal guardian, a note must be given to the director personally by the legal guardian in advance. The person taking the student will then sign that student out. Students will not be released to anyone under the age of 18.

NOTE-football game performances are not over after half time. It ends when we have returned to the buses. Also, students are responsible for getting all of their things off the bus and trailer including instrument and uniform bag. No one else should have to unload anyone else's belongings upon arrival at the band hall.

2. In case of emergency, the band director may approve other means of transportation. All parents must sign an emergency release form at the beginning of the year before students make any trips with the band. (Students must ride on the band bus to the original destination unless he or she is participating in another school related activity and transportation arrangements are made so the student can meet the band immediately following the event.)

A copy of the "Emergency Medical Release Form" must be signed and turned in to the director before anyone can make any West Sabine band trip. These copies will be provided for you to sign.

A copy of "Overnight Band Trip Release Form" must be signed before anyone can travel on any overnight trip with the band. These forms will be provided before each over-night trip. I cannot stress enough the importance of reading the guidelines very carefully. A student in violation of the guidelines may be sent home at the parents' expense. If you have any questions about a trip, please feel free to call Mr. Richardson at (409)584-2525

BAND UNIFORMS

The school currently furnishes West Sabine band uniforms without cost to the student with the exception of the shoes and socks. The uniform currently in use is the military style. It consists of a plume, shako hat, coat, trousers, cross belt with hardware, numbered hanger, and a garment bag. Each student shall provide for at least two dry cleanings during the fall semester. The school provides cleaning for all uniforms during the summer therefore, all uniforms are issued clean. The student must also purchase a band t-shirt to be worn under the uniform at all times. Shorts, not long pants, are to be worn under the uniform. Long pants cause the pants to hang improperly which makes the band look un-uniform. Black socks and black band shoes must be provided by the student. Black shoes must be leather or leather-like with black soles, lace up type, plain or moccasin toe. The uniform must be clean and neatly pressed when worn. The trousers should fit properly and must extend to ½ inch above the top of the back portion of the shoe. Students out of uniform in any fashion will not be permitted to make a public appearance when uniform is supposed to be worn. Any band student in public view is required to wear the entire uniform with all the buttons buttoned. The only exception is if a football player, or cheerleader performs with their organization at the game and then marches with the band at halftime. Under certain circumstances such as rainy games, the director may allow the band to perform in band shirts and jeans. If this occurs, all students must wear the band shirt and jeans in order to perform. **IMPORTANT:** If it is necessary to alter the uniform for better fit, **NEVER CUT THE UNIFORM.** It must be possible to restore the uniform to its' original measurements after the student has returned the uniform at the end of the school year.

DRUM MAJOR, MAJORETTE UNIFORMS

Majorettes purchase one field uniform, unless funds are available from the school, pep rally suits, agreed upon by the line and sponsor, white tennis shoes and one pair of white boots. If the drum major is a majorette, she will need to purchase a field uniform also if the school does not provide one.

Step 3: Give challenge sheet to the director.

Step 4: Check band office window for assigned music, day and time.

*NOTE: After the challenge sheet has been posted for 24 hours the director will assume the day and time are agreeable to both parties and you will be held responsible for those times. (If day and time are not suitable see director for revisions.) If someone challenges you, you must accept or forfeit. Challenge times are before and after school.(no class time will be used). IF YOU ARE ABSENT FROM A CHALLENGE FOR ANY REASON, EXCEPT AN EXCUSED ABSENCE FROM SCHOOL, YOU WILL FORFEIT THE CHALLENGE. If a person loses a challenge they must wait one week to re-challenge. If you lose the 2nd challenge, you may not challenge that person again. If you are the challenger and don't show up for any unexcused reason, you will not be allowed to re-challenge. B. Auxiliary members are required to attend whatever after school practices are scheduled by the director.

VII. ATTENDANCE POLICY

A. If an auxiliary member is to be absent or tardy to a practice or performance he/she must notify the director in advance. This should be done in person.

B. After 3 unexcused tardies or one unexcused absence from a practice or performance an auxiliary member may be suspended from a performance. This includes pep rallies.

C. All attendance policies apply to all required band functions.

VIII. CONDUCT

A. Members shall conduct themselves properly at all times for they are official representatives of the band and school.

B. Members should not display habits such as smoking, drinking or illegal drug use. Such activities will result in dismissal from the unit.

C. Members should display good sportsmanship at all times.

D. Fighting can result in probation or dismissal from the unit.

E. Disrespectful behavior toward any school employee will result in suspension.

X. DISCIPLINE MANAGEMENT

A. One failing grade at the end of any six weeks grading period will result in ineligibility in accordance with the UIL rules of eligibility.

B. Ineligibility for more than one six weeks grading period could result in dismissal from the unit and ineligibility to try out for the next school year.

C. Unbecoming conduct that reflects poorly upon the reputation of the band or school will result in suspension or dismissal.

D. Unexcused absences from band, auxiliary practices, performances, or school will be reviewed by the director for appropriate action that may include probation, suspension, or dismissal.

E. Any auxiliary member that is suspended from a performance because of discipline or attendance violations will be required to attend the performance in uniform but will not actually perform and will be required to sit with the director or in a designated place for the entire performance.

F. Assignment to any type of alternate class because of conduct may result in probation or dismissal for the remainder of the school year.

G. Members unwilling to work at projects assigned by the director may be subject to suspension or dismissal as determined by the director.

X. RECORDS

A. The director will keep records of all disciplinary actions.

B. Records of fund raisers, purchases, expenditures will be kept by the director.

XI. TRYOUTS

- A. Prior to tryouts, eligible candidates may attend organized practices.
- B. Tryouts are closed. Attendance is limited to the candidates, judges, Band Aide, Assistant Sponsor, Band Director, and Administration. Only 1 tryout per year (spring semester) will be held for drum major/majorettes.
- C. Students that are ineligible to perform because of failing grades will not be allowed to try out.
- D. Permission forms must be signed by the candidate and the parent/guardian and turned in 2 weeks before the scheduled tryout. (The signed permission form indicates that the candidate and parent/Guardian have read and understand the auxiliary constitution and agree to meet all requirements of the constitution upon selection in the unit.)
- E. Candidates are not allowed to wear any clothing that identifies them by name or reveals that they are already on the majorette line.
- F. Students should wear shoes appropriate for use on the gym floor.

XII. JUDGING OF TRYOUTS

- A. A minimum of two (preferably three) independent judges will be hired to judge the Solo, Fundamental, Question, Conducting and Marching portions of the tryouts. The Director will score candidates on the Music portion of the tryouts. The twirler sponsor will score candidates on their performance on the Line Routine portion of the tryouts. The band director will score each candidate on the citizenship portion of the tryouts.
- B. Judges are not to have contact with candidates the week before tryouts.
- C. The band director will choose the judges.
- D. Students will be picked randomly for tryout order. Names will not be used
- E. The same independent judges will judge all auxiliary units

XIII. AUXILIARY STUDENT LEADERSHIP

- A. The highest leadership position held by a band member is drum major. In the absence of the director or aide, the drum major(s) is(are) in charge.
- B. Candidates wishing to be Majorette captain shall turn in a letter of intent 2 weeks prior to tryouts. The captain will be the highest scorer of those turning in a letter. Majorette Captains must be in grades 11 or 12 unless none are available. Captains are responsible for much of the instruction of routines, settling minor disputes among members of the line and organizing fundraisers.
- C. Majorette captains shall provide complete information to the other unit members on matters such as performance times and proper dress.
- D. In the event the auxiliary captain is removed from the unit for the rest of the school year, succession is in order of ranking at tryouts of qualified members.
- E. Majorettes hold a leadership position in the band directly below the drum majors. In the absence of drum majors and adult supervision, majorettes are responsible for leading the band (Majorette Captain first, then in the order of tryout scores). Twirling is only one aspect of the majorette job. They should be leaders in the band first.

XIV. ALTERNATES

- A. Alternate drum majors may be chosen if the band director feels it is advantageous. **Alternate drum majors will have no drum major responsibilities or privileges unless** the Drum Major is permanently dismissed from his or her duties.
- B. If the alternate drum major wishes, he/she may attend the approved drum major camp at his or her expense. In this case, the alternate's position will be elevated to assistant drum major. The assistant drum major will assume the duties of the drum major in the event that the drum major is absent. This would be the second highest position that could be held by a band member.
- C. Alternate majorettes may be chosen if the band director feels it is appropriate. Alternate majorettes may perform in place of absent majorettes if the band director feels it is best. If there is more than one alternate the alternates will be chosen to replace a majorette at a performance in order of their ranking at tryouts. Alternates may participate at UIL Twirling contest if found to be capable by the director and may perform at whatever pep rallies or games that the director feels is appropriate. Alternates do not have a guarantee that they will perform at any performances. Any alternate that does not attend practices according to the rules will not be allowed to perform under any circumstances. If an alternate exhibits an inability to perform adequately, the director may remove her from the alternate line-up.

XV. EXPECTATIONS

- A. Music-Majorettes and Drum Majors are to be leaders on their instrument. They should be among the first to meet all music play off requirements. They should be leaders in All-Region and Solo and Ensemble events. All Auxiliary members will play their instrument at games and rehearsals. Members should be on time, demonstrate a positive attitude and be respectful to teachers, other auxiliary members, and band members.

XVI. CONSTITUTION REVISIONS-The constitution may be revised at the discretion of the director. The rules outlined in the constitution are intended as a guide for auxiliary members, parents, sponsor, director and administration, every situation shall be considered on a case-by-case basis

XVII.AUXILIARY REQUIREMENTS

A. Standards for Tryouts

1. Drum major and majorette candidates must meet a playing requirement on their instrument that will be determined and judged by the band director. Students will be given a music score that will be added in with the other audition scores
2. In the semester preceding tryouts, the candidate must meet the following grade requirement: Student must...
 - a. Be in grades 9-12 the next school year to audition for Majorette. (If none are trying out, there will be none)
 - b. Be in grades 11-12 the next school year to audition for Drum Major (if none available a sophomore will be chosen)
 - c. Have an overall average of at least 80 to be Drum Major or Majorette.
3. Any conduct which requires disciplinary action by the band director or principal may be cause for refusal to permit a student to try out. No student that has tested positive for drug use or caught using drugs or alcohol will be allowed to try out for any auxiliary unit.
4. In the semester preceding tryouts candidates must have been a full-time student at West Sabine. (This require may be waived under special circumstances.)
5. In the semester of the tryouts candidates must be enrolled in band in order to audition for Drum Major or Majorette.
6. The tryout requirement form must be signed and turned in by candidate and parents two weeks prior to tryouts.
7. Candidates will perform the following for qualified judges in a closed tryout:

B. Majorette Requirements:

1. Marching fundamentals as directed by the director.
2. Twirling fundamentals (including military salute)
3. Twirling Solo (app. 2 minutes long)
4. Candidates will perform a line routine taught by the twirler sponsor during the week prior to tryouts and will be judged by the sponsor
5. The band director will fill out a citizenship form the week of the tryouts. Students receiving less than 80% on the citizenship score will not be allowed to be majorette
6. The band director will calculate a music score for each candidate the week of tryouts.

C. Drum Major Requirements:

1. Military Salute
2. Oral Commands
3. Whistle Commands
4. Conducting
5. Instructional Communication
6. Problem Solving Skills
7. The band director will fill out a citizenship form the week of the tryouts. Students receiving less than 80% on the citizenship score will not be allowed to be drum major.
8. The band director will calculate a music score for each candidate the week of tryouts.

D. Standards to maintain position.

1. Students must conduct themselves in a manner appropriate to the position that they hold.
2. The positions of drum major and majorette demand extra rehearsal time in addition to other rehearsal requirements. Students are expected to be at all rehearsals. Keep this in mind if you plan on getting a job.
3. It is also necessary that students keep an acceptable standard of playing on their instrument. This is the most important aspect of band. Auxiliary members are required to play with the band in rehearsals, pep rallies, games, parades, contest playoffs, and contest as determined by director
4. Students must maintain UIL eligibility or be dismissed from the line.
5. Conduct, which requires disciplinary action from school personnel, may be cause for removal of the student from their position.
6. Uniforms will be approved by the director and will consist of the following approximate cost.
\$500.00 for majorettes,\$150 to \$180 for Drum Major.

E. Majorette uniform:

1. Pep Rally suits (Various)
2. Field Uniform (game performance sequin suits) may be supplied by the school if funds are available.
3. Boots, tennis Shoes, dance shoes
4. Military uniforms are provided by the school for contest performances.

F. Drum Major Uniform

1. Boots (A military uniform will be provided by the school.)
2. If drum major is a majorette, all costs apply
9. Auxiliary members are required to attend summer camp. Drum Majors will attend a Military Drum Major Camp chosen by the band director. Majorettes will attend camp locally or out of town with a clinician chosen by the sponsor. Majorettes will learn routines needed for the upcoming school year at these camps. Twirling camps are paid for by the students. Drum Major camp will be paid by school.
10. Students must remain enrolled in band in order to serve on an auxiliary unit.

XVIII. MAJORETTE TRYOUTS

A. Majorettes will be chosen using the following forms:

1. Part A Music Score Sheet (200 points possible)
2. Part B Citizenship Score Sheet (300 points possible)
3. Part C Sponsor Routine Score Sheet (200 points possible)
4. Part D Fundamental, Solo, Marching Score Sheet (500 points possible)

B The number of judges will be determined by availability of qualified judges. A minimum of 2 and a maximum of 3 will be hired. If there are only 2 judges available, the amount of points possible will be 1700. If there are 3 judges available, the amount of points possible will be 2200.

C. A candidate must acquire at least 85% of the possible points to be a majorette. A candidate must acquire at least 80% of the possible points to be an alternate. The number of majorettes chosen will vary from year to year depending on the size of the band and the availability of qualified candidates. The band director will determine this number after the tryouts. This number could be as low as 0 or as high as deemed appropriate by the director. Any number of alternates may be chosen if the director feels it is appropriate. A score of 85% does not automatically make you a majorette. A score of 80% does not automatically make you an alternate. If there are more than the maximum number of candidates (as determined by the director) that score at least 80%, only the highest scorers up to that number will be chosen. If there are a large number of candidates that score at least 80%, the director will determine an appropriate number to be alternates.

XXIV.

DRUM MAJOR TRYOUTS

A. Drum Majors will be chosen using the following forms:

1. Part A: Music Score (200 points possible)
2. Part B: Citizenship Score (300 total)
3. Part E: Verbal and Whistle Commands (75) Conducting (75) Field Drill (125), Judges Question Score Sheet (75)

B. The same judges that judged the Majorettes will judge the Drum Major. If there are 2 judges, the amount of points possible will be 1200. If there are 3 judges, the amount of possible points will be 1550.

C. A candidate must acquire at least 90% of the possible points to be drum major. A candidate must acquire at least 80% of the possible points to be alternate drum major. The number of drum majors chosen will vary from year to year depending on the size of the band and the availability of qualified candidates. The band director will determine this number after the tryouts. It could be as low as 0 and as high as 2. Also, alternates may be chosen if the director feels it is appropriate. If the alternate chooses to go to drum major camp during the summer preceding the following school year, the candidate will be up-graded to assistant drum major. A score of 90% does not automatically make someone drum major. A score of 80% does not automatically make someone alternate drum major. If more than the maximum number of candidates (as determined by director) score at least 90%, only the highest scorers up to that number will be chosen. Only one alternate may be chosen unless there is a tie or other extreme circumstance as determined by the band director. It is not required that any alternate be chosen.

NOTES FROM THE AUTHOR

This handbook is not intended to solve every problem that may occur in band. Nor is it written in stone. It is meant as a guide to help the band operate more efficiently without misunderstanding procedures. The band director retains the right to revise the rules stated in this book as he or she deems appropriate. Guidelines must also comply with all state and local laws and school policies. Various versions of this handbook have been successfully used in several of the finest band programs in the state.
